**The Schools Division Superintendent
Division of Bohol
City of Tagbilaran**

Madam:

Greetings!

The CFC- Youth for Christ Cornerstone Christian Leadership and Values Formation Program believes that Education is an act that has formative effects on the mind, character or physical ability of a person. It is a process wherein acquired knowledge, skills and values are transmitted from one generation to another. Hence, it plays a significant role especially in molding the minds of the youth because it teaches one to think intensively and critically. Being one of the basic needs of man to prepare himself and actively face what the world can offer, education molds and equips a person for his future and to face the rapid changes in the society.

It is on this premise that CFC- Youth for Christ be given permission by your Office to conduct a CORNERSTONE SUMMIT on May 17, 2015 at BIT International College, Main Campus, Tagbilaran City. This is a whole day activity to gather all Cornerstone Students who undergone the Leadership and Values Formation in the six (6) secondary schools of the Division of Bohol namely: San Roque NHS-Albuquerque, Calape NHS, Alicia TVHS, San Jose NHS-Talibon, Guinacot NHS-Guindulman and Hinawanan NHS-Loay.

We are hoping for your approval on this matter because through this activity, the young will be able to see the wider perspective of the Cornerstone Program as they relate with other students in other schools through team buildings, games, sharing and leadership sessions as well that will inspire them more to appreciate the gift of education.

Thank you very much and God Bless !

Very truly yours,

DIONESIO NEIL A. BALITE
Head, CFC-SCOP Ministry

MARIO RAMIR N. YU
Provincial Area Director, CFC-Bohol
