Members of the Schools Division Continuous Improvement Program Team**

1. This office announces the results of the Continuous Improvement Program validation of CI projects implemented by the schools as mandated via the Enhanced School Improvement Plans.
2. Hereto attached as **Annex A**, is the list of schools who shall be awarded the certificates of completion after the validation of CI projects conducted sometime in February last school year. This is to recognize the team's effort in addressing pressing issues affecting school performance.
3. The awarding of the certificates of completion to the recipient schools shall happen during the annual conduct of "Pasidungog" in September, 2017. The certificate shall be received by the principals of the schools.
4. Five Division winners for **Best in CI Booth presentation** selected during the Division Symposium conducted in December, 2016 shall also be awarded during the Pasidungog. List of winners is hereto attached as **Annex B**.

6. Therefore, schools are mandated to have adjusted their SIP - AIP 2 and have identified Priority Improvement Areas as basis for identifying another CI project for this school year. Schools whose projects last year are still ongoing are expected to have finished it while starting another project this year based on the AIP 2.
7. PSDS's/ OIC PSDS's are required to submit at SGOD office on or before **August 18, 2017** c/o Ms. Mildred Piquero , the following:
  - ❖ List of at least three (3) schools in their districts to participate in the series of CI coaching in preparation for the symposiums this **December, 2017**.
  - ❖ Name of the district CI focal person (must be a school head) who will attend the training in **October, 2017**. He/She will also be the district CI coach along with the PSDS.
8. All the schools in the division must have their CI projects. Only the three schools identified in each district shall be the focus for coaching by the Division CI coaches. However, districts are given the autonomy to do coaching of the other schools through their own initiative and strategy.
9. Schedule for the CI coaching sessions shall be announced in another memorandum. Thus, schools are expected to have started implementing their CI projects at this time ready for coaching.
10. For your guidance and strict compliance.
