**DR. WILFREDA D. BONGALOS, PH.D.**  
CESO VI  
Department of Education  
Province of Bohol

Dear Dr. Bongalos,

Greetings in the Spirit!

The alarming rise of Human Trafficking has become a grave world-wide concern – it has been qualified by no less than Pope Francis himself as the Modern Day slavery. Unfortunately, Bohol has been identified as a rich source of trafficked victims. Poverty and the aggressive promotion of tourism have made our people, particularly our children, more vulnerable to trafficking. In response to this grave issue, SSpS-WINGS (The Holy Spirit Missionary Sisters-Women Inter-Acting for New Growth and Services) has been in the forefront in educating and raising the awareness of people in our communities in the whole Province of Bohol, for the prevention and protection of our children against human trafficking.

Still in line with this program, we will be conducting a Seminar-Training for Teachers and Guidance Counselors to develop and enhance their knowledge on the appropriate interventions and strategies to protect and prevent children from being victims of trafficking. This will be on April <sup>12</sup>6 and <sup>13</sup>7, 2018, at Panda Tea Garden Suites, Tagbilaran City.

May we request your good office to partner with us in this Anti-Trafficking Campaign by giving permission and/or encouraging Teachers or Guidance Counselors from the different Public High Schools in Bohol to attend this Seminar-Training, and for their participation to be accredited to their continuing studies?

We rely on your support to earnest efforts for the promotion of the best interests of our children. May the Triune God continue to live in our hearts and in the hearts of all!

Thank you!

Sincerely,

**ATTY. MYRNA T. PAGSUBERON**
