Division Memorandum

No. 107, s. 2019

**GUIDELINES IN SELECTING RECIPIENTS
OF EYE LEVEL MECHANICAL WEIGH BEAM SCALES (DETECTO)**

To : Medical Officer
Nurses

1. In line with the undertakings of the School Based Feeding Program, Eye Level Mechanical Weigh Beam Scales (Detecto) have been acquired for distribution to selected beneficiaries.
2. Three Eye Level Mechanical Weigh Beam Scales shall be given to each district.
3. Subsequently, there shall be three recipient elementary schools in each district.
4. The bases for selecting the three recipient elementary schools shall be the following:
 - a. A Central School where there is no functional weighing scale. This will be very useful during athletic meets and summer activities.
 - b. The school which is compliant with the requirements of School Based Feeding Program and with the highest number of recipients.
 - c. The school is geographically remote from the health center and does not have a functional weighing scale.
5. The Nurses shall make recommendations to the Medical Officer, who shall in turn submit the list of recipients to the office of Schools Division Superintendent.
