WEBINAR ON RESEARCH | STATISTICS | EDUCATION | MANAGEMENT | 2020

Despite the crisis that COVID-19 brought to our land, the Strategic Research and Development Center Inc. will continue to conduct relevant training and seminars in the field of research, statistics, and education. The status quo changes the way we deliver our commitment to you. Rest assured, the same quality will be provided, even if there is a minor adjustment in the methodology.

The Strategic Research and Development Center Inc. is an authorized reseller and a training institution for IBM SPSS here in the Philippines. Our company is also a market research company that caters to both local and international clients. The company has been operating for eleven years now. Our main goal as a training institution (for IBM SPSS) is to educate and shape the analytical intelligence of our participants when it comes to both research and statistics. Our vision is to have a significant impact on the capacity and knowledge of our participants in research and statistics.

Part of the company's commitment to society is to help produce meaningful and insightful research paper by preaching statistics and research writing. Our main objective for our training and seminars is to capacitate and fill the missing gaps in your knowledge in research, statistics, and education.

In lieu of this, we would like to invite you to attend our online workshop this year (these are all **online via Zoom**):
