**Data Storytelling and Visualization In-depth Training Workshop - April 6 to 8, 2022 (VIRTUAL WORKSHOP)**

There are three common challenges (Robbins, 2011) statisticians and others face when preparing data for presentation include poor options and defaults in many software packages used for creating graphs, managers and colleagues who are socialized to expect figures that attract attention, and poor instructions from conference organizers.

Allow us, STRATONE, help you in resolving and create powerful presentation through Data Storytelling and Visualization In-depth Training Workshop - April 6 to 8, 2022.

**Objectives:**

- Train participants to convince stakeholders through: storytelling with data.
- Learn how to create convincing and effective data visualization.
- Learn how to create rich informative data graphs.
- Learn how to craft compelling narratives with data.
- Learn how to format your graphs for impact.
- Learn how to turn default graphs from tools such as Excel and Google Sheets into effective data communications.

To access the course outline, description, and program of activities, send us an email.
