DATE: JULY 11, 2023

1. The Office of the Governor is sponsoring a Tree Planting and Growing Activity on July 14, 2023, 7:00 AM at San Vicente, Ubay, Bohol as part of the month-long celebration of SANDUGO Festival with the aim of contributing to the success of the multi-sectoral efforts in greening Bohol. It also scheduled a site preparation activity (e.g. laying-out, staking and hole digging) on July 13, 2023.
2. In view of this, this Office is respectfully requesting DepEd Ubay personnel, to be spearheaded by the three (3) PSDSs, to represent DepEd Bohol in the said activity. Since July 13 and 14 fall on the dates of the Closing Exercises of schools, the organizers of the activity agreed for DepEd to hold its Tree Planting Activity on July 15 (site preparation) and July 16 (tree planting). 5. Documentations (e.g. pictures, attendance sheets) will serve as MOVs for participants in claiming for service credits.

OFFICE OF THE GOVERNOR

June 29, 2023

DR. EVANGEL M. LUMINARIAS PhD, CESO V
Schools Division Superintendent
DepEd Bohol
Tagbilaran City

Dear *Dr. Luminarias*:

Greetings!

As agreed during the coordination meeting of the **Trees for Unity (TFU)** program partners on May 22, 2023 at 717 Cesar Place Hotel, CPG, North Avenue, Tagbilaran City, our next Tree Planting and Growing Activity is scheduled on July 14, 2023, 7:00 o'clock in the morning at San Vicente, Ubay, Bohol, as part of the month-long celebration of SANDUGO FESTIVAL.

Per information from PAGASA, the frequency of rain is expected to be below normal but there are still scattered rainfall and thunderstorms wherein planting of tree seedlings is still favorable. Likewise, it is recommended to plant the hardened/acclimatized tree seedlings and sun-loving species to ensure survival.

May we respectfully request your good Office to send personnel to facilitate the site preparation activities (e.g. laying-out, staking and hole digging) on July 13, 2023 in your respective area to minimize long exposure to sunlight during the planting activity. Wearing of appropriate clothing like sweat shirt, long pants, hats, and shoes is highly recommended.

These are the following tools, materials and supplies needed: bolo, grass cutter (if available) and digging bar/hole digger, hand trowel, scissors, hand gloves and etc.

The Department of Environment and Natural Resources - Community Environment and Natural Resources (DENR-CENRO Talibon) and the Bohol Provincial Environment Management Office (BPEMO) will be providing the required seedlings for the said activity.

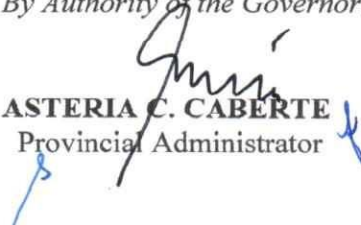

Your continued participation will significantly contribute to the success of our multi-sectoral efforts in greening Bohol.

For further queries, kindly contact Forester Restituto A. Piollo, Jr., Head of the Forest Resource Management Division, Bohol Provincial Environment Management Office (FRMD-BPEMO), with mobile number: 0950-958-5284 and email address: bpemophil@gmail.com.
