2024 GRADUATION MESSAGE

It is my honor and joy to congratulate all our young Boholano completers and graduates who have reach this far. You bring much happiness and pride to your parents, teachers, loved ones and guardians. All our applauses are worth for you.

On this day of great celebration, the Department of Education Bohol Division is in jubilation as you receive your certificates and diplomas signifying the real hard-earned testaments of your zeal and determination. You deserved to be recognized with our words of appreciation and admiration. More than anything else, your achievement is a gift we always cherish.

As everyone in DepEd is saying, Be **MATATAG**, Stay **MATATAG**...I am confident that with the knowledge, skills and values you have acquired in your journey as a learner, you are now better and stronger version of yourselves, ready to venture into another tests of resilience. You struggled and you survived. You claimed victory in all the challenges and unfamiliar landscape of learning. You mastered the meaning of **MATATAG** not by words, but by day to day experience. And that is how and who are you today... a winner and a champion.

This year's graduation theme "*Kabataang Pilipino Para sa Matatag na Kinabukasan ng Bagong Pilipinas*," emphasizes the crucial role of education in shaping Filipino youth as leaders in building a stronger and more progressive nation. The nurturing and molding in the hands of our teachers are the ways for you to be the realization of the dreams we always aspire, the hopes we always desire... YOU are the future, you are the New Philippines.

Our theme also reminds us as Filipinos of **Panatang Makabayan**, when it says, "*Iaalay ko ang aking buhay, pangarap, pagsisikap sa bansang Pilipinas*." This is an admonition and call for loyalty and patriotism of our beloved country. We may not in the real battlefield to protect our land, but we are in the vast arena of opportunities invited to stand and act for this country to rise again and be the ideal place for the next generation of Filipinos.

My dear completers and graduates you are the revolutionaries of the modern era. Your education is your tool. You are not yet done, but you already have done so much. Take time to move forward and focus. The promise of change is already larking like a dawn waiting for us to raise up and take our weapons of courage, determination and perseverance. Believe and always keep the faith that you could be an instrument for this country to be free from all bondage of hardships and struggles.

And now, as you venture into another journey, take time to harness and take advantage to all you have gained in your learning voyage. Forward always forward, onward always up... as what Lea Salonga tells us in her song.

Be the pride of your community, be the joy of your family, be the fulfillment of DepEd's vision and mission. We will be smiling with a sense of fulfillment, deep in our hearts, because you made it and will continue to make it in the pursuit of better YOU and better Philippines...I am happy for you and for your family...and continue to wish the best for you, because in DepEd Bohol, We Care for All...**BEHOLD, ABANTE BOHOL!**
